Laura Zimin
Rochelle Zimin
P.O. Box 70071
South Naknek, AK 99670

Dear Laura and Rochelle:

Thank you for your thoughtful and very detailed letter describing the many reasons for building a bridge across the Naknek River. We appreciate the information you've assembled, the strength of your comments and the time and effort you spent putting it all together.

If you aren't planners or economists already, you definitely have the right stuff for it.

Sincerely,

Jeff Ottesen, AICP
Chief, Statewide Planning
